Annual Southern Veterinary Conference – Sponsored by the Jefferson County Veterinary Medical Association

The Jefferson County Veterinary Medical Association is proud to invite you to our twenty-eighth Annual Continuing Education Seminar. We strive to bring you some of the best, most qualified and informative speakers in the country. Their special talents and interests will provide you with additional knowledge and aid you in your daily practice. This year will again offer 5+ sessions running simultaneously that will offer over 140 CE hours covering small animal, equine, practice management and veterinary technician courses. Come and see their source for great continuing education.

**New This Year!**

**Ultrasound Class (Without Lab)**

**Dr. Greg Lisciandro**

The series of lectures will cover in a heavily case-based, practical approach, the applications of Abdominal FAST (AFAST) and its fluid scoring system; Thoracic FAST (TFAST) for the detection of pleural and pericardial effusion, pneumothorax and the lung point, pulmonary contusions; the Vet BLUE (Veterinary Bedside Lung Ultrasound Exam) for the rapid diagnosis of common respiratory conditions in dogs and cats; and Global FAST (use of AFAST, TFAST and Vet BLUE) for patient monitoring and for uncharacterized shock and CPR. These formats are your new quick assessment tests for all abnormal dogs and cats and for patient monitoring. The lectures geared for the general practitioner to the specialist (emergency and critical care, internal medicine, surgery, cardiology, anesthesia, and oncology) and using these 3 abbreviated ultrasound formats to optimize patient care and save lives!

*** Pre-Registration
The SVC recommends registering in advance to attend our 28th Annual Conference. Registration is required for all technical sessions and labs. Your registration covers attendance to all lecture sessions and labs and comes with a copy of the proceedings on a CD or flash drive and/or access to notes on line. Manuals will be available for purchase with pre-registration and on a first-come basis while supplies last on site. Late registration fees will be accessed after August 1st and it is highly recommended to register on site and not via mail after August 1st.

You may pre-register as below:
- By Mail: Send registration with payment made to: P.O. Box 445, Trussville, AL 35173
  We accept Visa, MasterCard and American Express
- By Phone: Call us at 1-205-655-2320
- By fax: 1-205-644-3404 (please include registration and credit card info)
- Online: Register securely at www.thesvconline.com

*** On-Site Registration
On-site registration will begin at 8:00 am Thursday. The registration Booth is located on the gallery level of the The Hyatt Regency - The Wynfrey Hotel, Hoover, AL. The registration desk will be open during the conference from 7:00 am to 5:00 pm Thursday, Friday and Saturday.

*** Confirmation
Online: You will receive an e-mail confirmation immediately after registering.
Mail-in: Once processed, you will usually receive a confirmation within 7 days. Those that registers close to the deadline will find their confirmation in their packets at pick-up.

*** Cancellations
We will accept a cancellation and refund your registration minus a $50.00 processing fee up to July 25th, 2016. No shows will not be re-funded.

*** Americans with Disabilities Act
People with disabilities who plan to attend the 27th Annual SVC conference and need auxiliary aids/services are requested to notify the SVC office at 205-655-2320 no later than July 15th, 2016.

*** Proceedings
Included with your registration is a complimentary CD containing the proceedings. You may purchase a manual at time of pre-registration and on site while supplies last.
*** By attending conference you are allowing us to contact you by email with future announcements.

This program has been submitted and approved for 24 hours of continuing education credit in jurisdictions which recognize AAVSB RACE approval; however participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education.
